

## Revelstoke IPMA: Operational Planning Meeting and CSISS AGM

*Tuesday, October 1st, 2013, 9:00 to 3:30 PDT  
Revelstoke Community Centre, MacPherson Room  
600 Campbell Ave, Revelstoke, BC*

Your input is critical in ensuring the delivery of an effective and coordinated invasive plant program in the Revelstoke area. The goal of this meeting is to enable land managers to provide guidance and input on the Revelstoke Invasive Plant Management Area Operational Framework. This meeting also seeks to summarize CSISS activities thus far in the region as part of our first AGM and solicit new members to join our Board of Directors.

The meeting objectives are to 1) identify missing background information for this IPMA, 2) collectively prioritize species and activities for invasive plant treatments, inventories and monitoring and 3) elect new members to our Board of Directors.
