It's time to register for Kindergarten in Revelstoke!

We are excited to welcome parents and guardians to register all children turning five years old in 2018 for Kindergarten starting this September! Revelstoke School District wants to ensure that staff and resources are in place at our neighbourhood schools to meet the needs of all Kindergarten students in our community. Registering new Kindergarten students during **February 19th – 22nd, 2018** helps us to be ready for our new young learners!

How to Register for Kindergarten

Parents and guardians of new students must register at your neighbourhood school. If a placement to another school is desired, please still register at the neighbourhood school and apply for a cross-boundary placement.
